

Join Us For St. Philip's Church's Rain Barrel Installation, Workshop and Giveaway

**Earth Day, Wednesday, April 22, 1:30 pm – 3:00 pm
(Rain Date TBD)**

- ❖ **Location:** St. Philip's Episcopal Church, 730 Bestgate Road, Annapolis, Severn Grove Side of the Church
- ❖ **Environmental Education:** How rain barrels help reduce stormwater pollution, how to install rain barrels and maintain them, and opportunity to win a rain barrel.
- ❖ **Refreshments:** You're encouraged to bring your reusable water bottle, and we'll have water and snacks.
- ❖ **Technical Partners:** LimnoTech, an environmental engineering firm and Interfaith Partners for the Chesapeake.
- ❖ **Participating Partners:** St. Philip's Church, Annapolis Area Christian School, Annapolis Friends Meeting and Unitarian Universalist Church of Annapolis.

**We look forward to your fellowship and learning more about how to protect
God's Creation while celebrating Earth Day!**

This project is funded through a generous Community Engagement and Restoration Grant from Chesapeake Bay Trust.
